# [WORKSHOPS & ANIMATIONS]

// Depending on the age of the public and the needs expressed, those workshops can be tailored from one hour sessions to half a day, or intensive courses.

Conceived around a playful learning method and creative photography, both workshops and animations are adaptable to any event or ethical topic.

Perspective - The manual photomontage

Sténopé - Analog photography through a tin can

Sleeveface - The manual photocollage

Chronophotography - Movement decomposition

Moi président - Presidential portrait

Lightgrafff - « Cadavre exquis » with La Villette and the Bergson highschool

Shoot your right - Visual staging of children rights

**Retro Studio** - Ancient and current residents strike the pose in front of an image of the Michelet Residence at the time of its construction

**Save the bees Studio**

**Cosmos Studio** - Staged portraits to promote green behaviour during the Eco-Village of the city hall of the 19th district.

# [CLICHÉS STUDIO]

// Organized around a large scale background and personalized accessories, the «Clichés Studio» is declined according to your wishes and needs.

Funny and convivial, this animation federates all participants within any group scale, and can be adapted to many places and events.
